Re: New Jersey – Stay-at-Home Order (“The Order”)

To Whom It May Concern:

Premier Home Health Care Services, Inc. (“Premier”) provide home health care services to the elderly, ill, disabled and other vulnerable individuals. As such, Premier is defined as an “essential business” by the State of New Jersey and is exempt from travel and work restrictions.

Accordingly, the employee presenting this letter should be permitted to leave their residence for work to provide “essential home health care services” and we respectfully request that any and all law enforcement agencies exempt this person from travel restrictions.

If you have any questions please feel free to contact Marcos Maltez, VP of Operations at 212-284-7793.

Thank you for your assistance.

Most Sincerely,
